

APPLE SPECIAL
EVENT

iPhone 16

and iPhone 16 Pro Max

Pro

Built for Apple Intelligence.

The most powerful, most capable iPhone ever.

Pre-order September 13 · Available September 20 · From \$999

Personal intelligence, powered by **A18 Pro**.

16-core Neural Engine · 35 trillion operations per second · On-device processing

Writing Tools

Rewrite, proofread, summarize across Mail, Notes, Pages, and third-party apps

Siri Overhaul

Richer language, on-screen awareness, type-to-Siri, hundreds of new actions

Genmoji & Image Playground

Create custom emoji by describing them; AI-generated images in three styles

Priority Messages & Smart Reply

Time-sensitive emails surfaced; context-aware reply suggestions

ChatGPT Integration

Optional GPT-4o via Siri and Writing Tools; no account needed for basics

Private Cloud Compute

Complex queries scale to Apple silicon servers — your data never stored

Privacy-first by design. On-device as default. Your data is never stored or shared.

PERFORMANCE

A18 Pro.

Industry-first second-generation 3-nanometer chip.
